

Elo Pay 22" 'Tap to Pay'

Integrated Payment POS

**Integrated NFC for
contactless payments**

Android 12

**Enterprise-Grade
Support**

Product Overview

Discover seamless transactions with our Elo Pay 22-inch integrated payment solution based on the I-Series 4. The versatile and user-friendly self-service platform features a FHD touch display, built-in NFC for contactless payment functionality, Android 12 OS and Qualcomm SD660 processor. From self-order and ticketing to customer check-in and more, deploying kiosks has never been easier. Pair the Elo Pay 22" with a variety of stands, including the popular Wallaby Pro to create the self serve solution your business needs.

With no need for complex payment certifications and access to immediate integration, it's never been easier to start transacting. Start changing the way customers and employees interact by deploying a new generation of interactive technologies that provides seamless integration, effortless provisioning and simplified device management via EloView or your preferred management tools.

**The integrated NFC makes it easy to
accept contactless payments**

**Enterprise-Grade Support - Security
updates, seamless provisioning, Elo
Home, OEMConfig and more**

**Universal VESA mount allows the Elo
Pay 22" to mount on a variety of
stands, pole mounts and wall mounts.**

Elo Pay 22" 'Tap to Pay' POS System
